

Ohio Agricultural Council Scholarship Program Frequently Asked Questions

Have a question? Here are some frequently asked concerns regarding the application process. If you don't find your answer here, please feel free to reach out to the Ohio Agricultural Council at info@ohioagcouncil.org or (614) 794-8970.

Q: I am a student at The Ohio State University. Can I submit my "advising report" as an unofficial transcript?

A: Yes, an advising report will suffice.

Q: The pdf version of my "advising report" says it is "secured" and I can't get it to merge with the other pdf pages. What do I do?

A: There are two options:

Option 1 – print the advising report and scan it in. Save it as a pdf and then combine it with the rest of your application materials

Option 2 – there are several resources online that should be able to remove the security from this document for free. Be mindful that not all these websites may be secure. Use your best discretion.

Q: I don't have enough room to list all of my involvement and work experience. I also want to use bullet points, what do you suggest?

A: We recommend crafting the larger typed portions of the application in a word processor (i.e. Word) and then copying the information into the fillable pdf. Adjusting the font size in Word will result in a smaller font in the fillable pdf application. Please be mindful that you do not need to list ALL of your involvement and work experience, just those that you feel are substantial for you.
